BusinessRICH

Finally, a business workshop that guarantees **YOU** more profits!

BusinessRICH is an intensive 2 day workshop focused on you, the business owner, to grow your business.

It's a *real world* business workshop—with straight talk with other like-minded business owners. You'll discover ways to work smarter so you can work less, while at the same time earning more. You will cover every aspect of your business from marketing, team building, company vision and culture, planning and goal-setting strategies and more. You will not only find out what you need to do, you'll leave **BusinessRICH** knowing how to do it.

Are you ready for a real world business workshop that guarantees **YOU** more profits?

1. How much is my business worth?
2. How much can my business be worth tomorrow?

Why is this information important?

Through a **BusinessVALUATION**, **BusinessRICH** can give you data for how your business is performing in areas that impact the key value drivers impacting the fair market value of this important asset—your business.

When you know how much your business is worth you are better equipped to make informed decisions by weighing the risks and rewards. Such data and projections that come from a complete business valuation allows for business owners to be able to:

- Sell their business for top market dollar
- Receive additional lending or lines of credit from banks
- Persuade partners to further invest in the business growth strategies
- Set the business up for proper pass off to the next generation
- Negotiating Buy/Sell agreements
- Asset analysis for your Insurance policies
